Be good to yourself
Cause you were never good to me
I know what I know
Cause I read it in your diary

So stop shaking your knees
Start nodding your head
Cause I said forever
Forever's what I said

Fiona
The only woman I will ever love
Fiona
The only woman I will ever love

Know that I'm watching
Through windows and behind the door
I'll be staring down at you
Every time you snore

You know I'm not afraid to wind up dead
Cause I said forever
Forever's what I said

Fiona
The only woman I will ever love
Fiona
the only woman I will ever

I love you so
But you act like such a ho
You act like such a ho
(You're such a ho)
(x4)

Fiona....
Fiona....
Fiona....
Fiona....

Fiona

The only woman I will ever love
Fiona
The only woman
I could ever love
