[Monoxide]

On my way and my face is painted [lets ride]  
Annihilated Off that? Fader rated?  
Don't matter what anybody is saying lately  
Cuz that Twiztids shows tonight  
And I made it [hell yeah]  
Trunk banging, Juggalos hanging  
Some smokin weed and everybody drinking [pass dat]  
I Pull up to the clubs and spot  
About 200 people in the parking lot  
I got a fat ass blunt, that I spark to start  
And a fake I'd so I can hit the bar  
They never know it's not me  
Cuz the contacts and paint got me  
Looking like something ya ate  
And I see all the homies painted  
And I'm glad that they came  
We get the mosh pit started when they hit the stage  
Like someone let a bunch of lions out of they cage  
And when it's all said and done I wont sleep for days

[Chorus]

I'm going to catch the show  
Lets get tore down  
Lets loose control  
Tonight... lets get f\*\*ked up at the show... lets go.  
I'm going to catch the show exhibits from the carnival  
Exquisite freaks and clowns - Oh My

[Madrox]

Hopped in my ride and I head to my homies house  
Got two tickets for the show  
And I'm destined to check it out  
I been listening for a minute  
But never been to a show  
So when it come to my neck of the woods  
Hell yeah I'm finna go  
And I'm ready and as I pull up in front of my homies  
house  
He come out with a fifth of Patrone, a blunt up in his  
mouth  
And he tell me if I really wanna make it tonight

He know two juggalettes that's going, but in need of a ride  
So I said hell yeah  
I'm freaky and lookin to cut  
I hope them bitches just as freaky lookin rubbin my butt  
And make my toes curl everytime I'm bustin a nut  
So when I see a pretty bitch I'm like you sittin up front  
Next to me  
She like Twiztid and ICP... Boondox and Blaze  
And she's down with the family  
She lookin through my cds and she stops at wicked  
And said "baby I forgot my ticket" DUMB BITCH

[Chorus]

I'm going to catch the show  
Lets get tore down  
Lets loose control  
Tonight... lets get f\*\*ked up at the show... lets go.  
I'm going to catch the show exhibits from the carnival  
Exquisite freaks and clowns - Oh My

[Madrox]

My boss said I gotta work but I don't care  
The shows coming to my hood and best believe that  
imma be there  
In the front row with my hands held high  
Hoping hot bitches with big titties will stage dive  
So I can cop a feel as they float right past  
Even candy aint as sweet as some Juggalette ass  
Imma blast on the motha f\*\*kas in the most pit  
Keep shoving til the f\*\*kas got blood in they spit

[Monoxide]

Now the shows all done and we come back together  
Like weed in blunts and your teeth from uppercuts  
And remember... party up in 208  
Two lettes are gonna makin out killa like sex tape  
Wait...  
Gotta get a little more of the Grey Goose  
So I can mix up with my gatorade and let loose  
Probably wont remember a thang until a day or two  
But I know this show is hotter than the flames on a BBQ

[Chorus]

I'm going to catch the show  
Lets get tore down  
Lets loose control  
Tonight lets get f\*\*ked up at the show lets go.  
I'm going to catch the show exhibits from the carnival  
Exquisite freaks and clowns - Oh My

Lets go! Lets go! Lets go!
