[Madrox:]

What Can I Say  
My Claim To Fame  
Won't Come In The Shape  
Of Hearts And Flowers

What Will It Take  
Everything That I Know  
And All The Things That I've Learned  
To Overcome What's Next Around Each Turn

How Come I've Been Walkin' In Circles  
Believin' That The Things That I Love  
They Will Always Be Perfect And Around

How Come I've Been Needing A Purpose  
Assuming That The World Even Cares  
If We All Live Or Die

Or Die  
Or Die  
Or Die  
If We All Live Or Die  
If We All Live Or  
If We All Live Or  
If We All Live Or Die  
If We All Live Or Die

What Can I Say  
I Have No Shame  
I Can't Complain  
But I Will Anyway

What Will It Take  
I Gave It All That I Had  
Everything I Ever Give  
I Even Gave Her My Heart  
And She Left With Him

Or Die  
Or Die  
Or Die

If We All Live Or Die  
If We All Live Or  
If We All Live Or  
If We All Live Or Die  
If We All Live Or Die

[Monoxide:]  
We Watch

Everyone Walkin' In Circles  
Slower Than Turtles  
That It Might Seem Like I'm Hurtful  
But The Truth Is  
I'm Really Just Lookin' For Ways  
That We Could All Be Makin' A Change  
Fly Together Like One In The Same  
Ride Together Like A Charm And Chain  
But That Won't Happen Cuz We're D-D-Deranged  
So Addicted To Watchin' You Laid  
Dark Ass Wanna Be Strange  
Like Me Live Only Days  
Like We Best Of Friends  
But Reality Kicks Me A Message  
And I Guess I Learned A Lesson  
From The Test That I Was Given  
Just Like All The Rest Is Nothin'

[Madrox:]  
If We All Live Or Die  
If We All Live Or  
If We All Live Or  
If We All Live Or Die  
If We All Live Or Die

What Can I Say  
I'm Livin' Today  
I'm Feelin' Alive  
But Death Is Creepin'

What Will It Take  
My Love Is Dead In A Grave  
And Now I'm Smillin' In Court  
And They Keep Askin' My What Your Secret Again

Or Die  
Or Die  
Or Die  
If We All Live Or Die  
If We All Live Or  
If We All Live Or  
If We All Live Or Die

If We All Live Or Die  
Or Die  
Or Die  
Or Die  
If We All Live Or Die  
Or Die  
Or Die  
Or Die  
If We All Live Or Die
