[Monoxide]

I'm so addicted to this  
But I know it's too cold  
Like ice cream  
I dip my dipstick in there  
It's meltin' again  
So she gonna have shake on her chin  
When I'm fixin' to bust

[Modrox]

And you can trust  
I been known to paint them hoes  
Like Pablo Picasso with no brush  
Don't rush cause I'm comin' along  
And I can super soak the hole by the end of the song

[Female]

Don't help me  
Don't touch me  
Don't love me

[Monoxide]

She likes when I do what I do  
When I do what I do so erratically  
Treat a box like a tooth  
And I kill it to the root  
Like I'm drillin' for a cavity

[Madrox]

15 more pumps in me left  
And I'm spent like the red price tags  
On the clothes in the closet  
Class-A hoe  
What you call it  
Daddy was a junkie  
Your mom's an alcoholic

[Chorus]

Your love's like cyanide  
And the more that I drink  
I feel sick inside  
I just wanna free my mind and

(F-f-fuck you till I come then I'm done)

Your love's like cyanide  
And the more that I drink  
I feel sick inside  
I just wanna free my mind and  
(F-f-fuck you till I come then I'm done)

[Monoxide]  
She works at Denny's  
And drives a Nova  
Likes to get naked when she comes over  
Then I get butt naked  
And I vigally bone her  
Smokin' a whole pack  
Till I'm in a coma

[Madrox]  
But I ain't got much to say  
'cept stir it like a mixin' bowl  
And hallo tick crates  
When I hit her from the back  
And I'm pullin' on her waist  
And I take it to the front  
But to paint her pretty face

[Monoxide]  
She like it though  
Rubbin' her rump down  
And 'plorin my aglow  
And my egg drops soup and hits the floor  
It's ravenous bitch  
I gots ta go!

[Female]  
Don't help me  
Don't touch me  
Don't love me

[Madrox and Monoxide]  
Musa Medusa  
Come soak me down with cyanide  
The cut throat kinda game  
I'm immune and I'm use ta  
The typical trouser  
Most'll call it psychotic  
But I'm in need of a kind of change
