### "Gothic Chick"

I fell in love with a gothic chick and she gave me  
everything that she was  
so dark just like her clothes how could I know, I love her  
and then let her go  
oh no I fell in love with a gothic chick it was fate you can  
see  
oh no I love her but she will never love me

*[Madrox]*

She had the Betty Page vibe Kat Von D tattoos around  
her eyes with the  
real big thighs so I'm like I could get it on with a  
vampire wearin a thong  
shakin them titties that you wanna put your mouth on  
Dammmn  
suckable fuckable lovable touchable she had piercings  
in both her nipples  
That shit stay hard right? like me she bent over I seen  
her thong had a playboy bunny  
I'm like look here hunny I'm in to  
Crow & all that shit I was standin out here watchin you  
shoppin at  
Hot Topic I love ya style you an actress or somethin?  
have you ever been up in films is it up for discussion  
I'm in to god woreshippin I like the video tape Hot  
bitches gettin horror bound  
I love your face It's cinematic I'll give ya more prick  
than a cactus  
Let's go to ya crib and stain a matress

I fell in love with a gothic chick and she gave me  
everything that she was  
so dark just like her clothes how could I know, I love her  
and then let her go  
oh no I fell in love with a gothic chick it was fate you can  
see  
oh no I love her but she will never love me

*[Monoxide]*

Her pale skin is so white I'm hypnotized by the sight of

her moonlight eyes  
Vampire bites is tatted on her right thigh & a scar  
on her wrist to remember the suicide try  
she's got a 10 guage in ears & a post in her clit  
she likes rough sex & bumpin emo music but I'm a  
rough neck I got the rep to prove it there's no less  
no way that she could be substited  
But I know I'm not her type & my mind is so diluted that  
I'm blind  
& if she was heroin I would shoot it a stop sign at most  
but for her I'm goin thru it  
I'm backwards, jumpin thru hoops & lookin stupid  
Cupid shot an arrow & it pierced my eye  
because I can't help but stare everytime she walk by  
One day maybe I'll get the nerve to try  
but right now I couldn't handle rejection & she'd die

She's such a freek hey baby why don't you do it to me  
show me how it could be if I roll with you  
she's such a creep hey baby I don't care what they say  
I love you anyway don't go change for me
