If you're reading this
Then I finally did it
I'm sorry I didn't say goodbye
There was no time
Understand I was stressed
Living day to day was hard
And I gave it my best
But there was nothing left
For me in this world
To convince me to stay
Now I'm long gone away
Don't you do that
Don't you start your tears
Just remember all the time we spent over the years
Never cry
Never think bad to me
What's done is done and that's the way it had to be
I need you to be strong for me
Say your prayer everyday in my memory
I'm sure it's helping me
To earn my feathers
To get some wings
And a halo and a harp and angelic things
And even though I'm gone And outta sight
Never worry about me
I'm alright

[x2]
I'm alright
And if I should die
Don't blame yourself and keep it locked inside
I'm alright
And everytime you cry don't breakdown

Just keep me inside in your mind

You only saw the outside
Never knew what I was feeling
Now everyday you lay in bed staring at the ceiling
But you don't see me no more
You can fill your heart with memories
And things from before

But everybody got a purpose in life
To survive when the sunrise
You gonna live to see another day
Just don't follow me and live your life your own way
I'll be in set and if you forget
Get the picture with the cord around my neck
See me underground and I'm stuck
But it's cool that's where I wanna be
Keep the drama in hand but outta sight
And know that
I'mma be alright

[x2]
I'm alright
And if I should die
Don't blame yourself and keep it locked inside
I'm alright
And everytime you cry don't breakdown
Just keep me inside in your mind
