I ain't got no weed My Parents hate me These kids at school want to kick my ass I just got fired from my job (Now I ain't got no fucking money, FUCK WAL-MART!), My girlfriend dumped me for my best friend (Fucking backstabbing cunt!), Man, fuck both of them If I had a car, I would go over there right now, and bash their fucking heads in Nobody wants to hang out with me cause I'm a Juggalo

I guess I embarass everybody and that's my fault Well fuck all of you! Fuck you, fuck you, and FUCK YOU! I hate you mother fuckers! Can't even stand to look at myself in the mirror anymore...
