Hokus Pokus Ill Cast A Spell, Im A Samhein Witch Killa,
Were Some Samhein Witch Killas, Im A Samhein Witch
Killa, Were Some Samhein Witch Killas

Are You Afraid Of The Dark & Things That Only Walk At
Night, Then If I Was Only On Walk, Then You Would
Never Feel My Bite, Im Pulsatin' In A Strange & Eratik
Fashion Im Waiting What Happens Tragic Her Face
Keeps Ons Flash, I Need To Choke Someone, Why Did
You Poke Little Holes Inside Your Bloodveins
Excellerate The Life Of The Dead & Call It Samhein I
Got The Fever Got The Craven Of An Animal, Clothes
Covered In Blood From Necks That I Sample, I
Dismantel & Rip Bodies In Half, Vaperize Into A Bat &
Slip Through Cracks Where You Stay At, You Cant
Excape The Fate Of Deep Red, Unleash The Blood
Flountins From Decapatated Heads, Little Children Lay
Awake In Bed With Terror & Grief, Theres A Vampire
Watchin' From The Cieling When They Sleep...

[Chorus: x2]

Nosferatu Is More Than A Vampire, Shocking My
Victims Just Like A Live Wire, Body Falls To The Ground,
Hear The Screams Of Terror & Pain, You Can Call Your
Life But I Might Just Take It Away

I Got The Teeth Sharp As Ginsus My Species Is
Nosferatu & I Only Got One Eye Its Red Like R2d2, I
Spot You Release My Wings Through Downward Ski,
Landing In The Park To Make The Pigeons Fly, I Dont
Know Why, But Some Of The Times I Feel My Status Is A
Curse Out Liven More Than Life Condemed To Rome
This Earth For Whats Its Worth For My Birthday I Turned
1026, Stood Before The Sun Befor It Made An Eclipes,
Press Your Lips To Your Finger Tips, Dont Say A Word,
Look Into My Eyes, See No Desire Goes Unheard, Got
To Feed Ever 24 Hours, To Keep My Powers, As I Sit On
Top Of Gothic Towers Watching Cataclysmic Showers,
Blood Is Sour, Bitter Sweet Thick & Blan, & When It
Dries It Turns Brown Beneath The Fingers Of My Hand,
My Shadow Skips Inside The Cyclone Vent, Shadows Of
The Moonlite Make Me Feel So Intense, Leash My Teeth

Deep Into Your Vein, Draining Your Existence Until Your
Body Is Slain, Call It Durango Its Insane How I Got You,
I Leave Two Teeth Mark Inside Your Neck That's The
Sign Of Nosferatu...

[Chorus: x2]

Nosferatu Is More Than A Vampire, Shocking My
Victims Just Like A Live Wire, Body Falls To The Ground,
Hear The Screams Of Terror & Pain, You Can Call Your
Life But I Might Just Take It Away

Darkness Its Time To Reckon, Peep The Perspective
Best Fuckin Dracula Cant Fuck With Hecktik Injected, I
Keep Your Juggaler Veins Pumpen Make Your Body
Sway, As I Sit Back Relax Sippin On Dna, Plasmic My
Style Is Fantasmagorik, Rome Around Like A Vagabond
Creepin Through Forests, Nobody Notice Im Inside
When You Invite Me, You Wanna Spite Me, Bring It On
Somebody Try Me, Panic Zone Freezen You Up Scared
As Fuck, Now Sacrificially I Will Induck, Go Seeking You,
So Findins With My Oragin Beleives Until You Bleed, My
Hunger Feeds Just Like A Seed, Feed My Soul Up Im Out
Of Site, Nosferatu Out Of Control Creepin At Night

[Chorus: x2]
