People are strange
When you're a stranger
Faces look ugly
When you're alone

Women seem twisted
When you're unwanted
The streets around you are whole
When you're down

When you're strange
Faces come out of the rain
When you're strange
No one remembers your name
When you're strange
When you're strange

People are strange
When you're a stranger
Faces look ugly
When you're alone

Women seem twisted
When you're unwanted
The streets around you are whole
When you're down

When you're strange
Faces come out of the rain
When you're strange
No one remembers your name
When you're strange
When you're strange

People are strange
When you're a stranger
Faces look ugly
When you're alone

Women seem twisted
When you're unwanted
The streets around you are whole

When you're down

When you're strange

Faces come out of the rain

When you're strange

No one remembers your name

When you're strange

When you're strange
