Man, fuck that shit man  
Fuck that, what?  
What's up with this bitch?  
She better come suck my dick or something  
Bitch

Who's going next?  
I'm dying to see  
Spin the bottle baby  
And give it to me

Its Paulie, baby Paulie wit' nipple licking love  
Sporting Cowboy boots and florescent glove  
I lassoed you up and then I jumped on your back  
I, I, I needs no saddle, I just sit on my nut sack

Who's going next?  
I'm dying to see  
Spin the bottle baby  
And give it to me

Its stretch nuts up to bat and I'm finna get this ho  
Bottle still spinning and my sack about to blow  
Up in my pencil Chickie, chick stop the frontin'  
Lets skip the games and get down to humpin'

Who's going next?  
I'm dying to see  
Spin the bottle baby  
And give it to me

Its me, Jamie Madrox and Play-Doh is green  
I tap and touch and tickle, till you melt like Ice Cream  
I know you want my body and fat kids are so sexy  
Take off all your clothes and come over here and get  
next to me biatch

Who's going next?  
I'm dying to see  
Spin the bottle baby  
And give it to me

Its Violent J baby, the wizard of the street  
Sporting your panties, just to show you I'm a freak  
I'll slide in your bed, for for a cotton surprise  
You got clown makeup smeared on your inner thighs

Give it to me, give it to me, give it to me  
Give it to me, give it to me, give it to me  
Give it to me, give it to me

Man, who the bottle pointing on?  
What, what?  
Somebody better suck on my dick  
In this motherfucker  
I ain't playing no more

Who's going next?  
I'm dying to see  
Spin the bottle baby  
And give it to me

You can call me the plumber, 'cuz I snake your drain  
But buttermilk love nugget, that be the name  
I swings to the left, 'cuz I'm swift with my meat  
And tickle twist ya nippy nipples off with ease  
(Damn)

Who's going next?  
I'm dying to see  
Spin the bottle baby  
And give it to me

Spin number 2 and my chances looking good  
Already hit one eden, now I'm going for her friend  
(Uh, uh, uh, uh)  
It don't make a difference, I really don't care  
The size or the shape, as long as she gots eden hair  
(I'll be a mutha fucka)

Who's going next?  
I'm dying to see  
Spin the bottle baby  
And give it to me

We Dang Dang Dang, no I ain't tripping  
Pink fun so wet, that my thang be slippin'  
But quicker than I bat my eyes, she replied

I could get better traction, if I hit it from the side  
Now baby bitch, lemme get some eden  
(Baby bitch)  
I'm trying to leave this nut stain on your momma bed

Who's going next?  
I'm dying to see  
Spin the bottle baby  
And give it to me

Its me again J I would love to turn you out  
But, I think I'll pass, 'cuz your shit is blew out  
Just hold the shit together or somethin' baby yo  
Or maybe you can let me holla at your booty hole

Give it to me, give it to me  
(Man, you goin' suck Violent J's dick)  
Give it to me, give it to me  
(Lick Shaggy's Balls, fuck Monoxide)  
Give it to me  
(And you can't even touch my butt?)

Who's going next?  
I'm dying to see  
(Bitch, I'll choke your ass)  
Spin the bottle baby  
And give it to me  
(Mothafucka, how many times)  
(The bottle gotta land on me?)

Who's going next?  
I'm dying to see  
(I ain't get no love in this mothafucka)  
Spin the bottle baby  
And give it to me  
(Hey you, touch my touch my butt)

Who's going next?  
I'm dying to see  
(Touch my butt right now)  
Spin the bottle baby  
And give it to me  
(I'ma pull it out)

Who's going next?  
I'm dying to see  
(You betta touch my shit)  
Spin the bottle baby  
And give it to me  
(Don't fuck with me girl)  
(I know where you live)

Who's going next?  
I'm dying to see  
(Touch my butt)

Spin the bottle baby  
And give it to me  
(Touch my ass right now)

Who's going next?

(Look its out touch it touch it)  
Spin the bottle baby  
And give it to me  
(Touch my ass)

Who's going next?

Spin the bottle baby  
And give it to me  
Girl, you better touch my ass
