my dick or something..

(BITCH!)

{Chorus}

Who's Going Next?

I'm dying to see.

Spin the bottle baby and give it to me.

(Monoxide)

It's Pauly baby Pauly,

With nipple lickin' love,

Sportin' cowboy boots,

And a florescent glove,

I lasso you up and then I jump on your back,

I I I needs no saddle I just sit on my nutsack.

(Chorus)

(Shaggy 2 Dope)

It's stretch nuts up the back,

And I'm fit to get this ho,

Bottle still spinnin',

And my sack about to blow,

Up in my pencil chippin',

Bitch stop the frontin',

Let's skip the game,

And get on to humpin'.

(Chorus)

(Madrox)

It's me Jamie Madrox creator of dreams,

I tap and touch and tickle till' you melt like ice cream,

I know you want my body,

Fat kids are so sexy,

Take off all your clothes,

Come over here and get next to me,

BIATCH!

(Chorus)

(Violent J)

It's Violent J baby,  
The wizard of the streets,  
Sportin' your panties,  
Just to show you imma freak,  
I slide in your bed for a cotton surprise,  
You got,  
clown make-up smeared,  
on your inner thighs.

Give it to me (Repeats)

(Madrox)

Man who's the bottle pointin' on?  
Somebody better suck my dick in this mutha fucka,  
I ain't playin' no more.

(Chorus)

(Monoxide Child)

You can call me the plumber, 'cause I snake your drain  
But buttermilk lovenugget, that be the name  
I swings to the left, 'cause I'm swift with my meat  
and I tickle, twisty, nippy nipples off....damn

(Chorus)

(Shaggy)

Spin number 2, and my chances looking good  
Already hit one neden, now I'm going for her friend  
It don't make a difference, I really don't care  
The size or the shape, as long as she gots neden hair

(Chorus)

(Jamie Madrox)

All I heard was BANG BANG BANG, no I ain't tripping  
Pink fun so wet that my thang was slippin'  
But quicker than I bat my eyes, she replied  
"I could get better traction, if I hit it from the side"  
Now baby...bitch, lemme get some neden  
I'm trying to leave this nut stain on your momma bed

(Chorus)

(Violent J)

Its me again J!!!  
I would love to turn you out  
But, I think I'll pass, 'cause your shit is blew out

Just hold your shit together, or something, baby yo  
Or maybe you can let me holla at your booty hole
