We havnt come to the end of our journey
This is just the beginning
The beginning of what you ask?
The beginning of Forever
Through the eyes of many we are judged daily
and although their hatred for use may seem great
it will never surpass the love we pledge to each and
every one of yall

show me the reason why...
(we do the things that we do)
show me the reason why...
(take a chance with me I wont let you down)
show me the reason why...
(we represent the underground always have always will
now)
show me the reason why...
(take a chance with me I wont let you down)

your the reason why i can express myself freely
and give the finger to those who try hate but wanna be
me
your the reason why i wont do 20 to life
you shead some light up on the might be able to
change the world for all of us
your the reason why my heart is still pumpin
and i aint out on the corner dumpin or shootin somthin
your the reason why we representin the twiztid sound
fuck the mainstream, the life fo' me is the
underground
your the reason why the hotlines are updated
and the website is always bein upgraded
your the reason why im glad to be a juggalo
to bring the wicked shit to every town where everybody
go
your the reason i can kiss the clouds
and walk through the curtain and captivate the whole
crowd
your the reason ive existed all along
your the reason for this song...

show me the reason why...
(we do the things that we do)
show me the reason why...
(take a chance with me I wont let you down)
show me the reason why...
(we represent the underground always have always will
now)
show me the reason why...
(take a chance with me I wont let you down)

your the reason why i get no sleep
sometimes its just a couple days
other times its weeks and weeks
your the reason why i still got heart
for my los and lettes
and BIG KIDS for the most part
your the reason why the season never change
if we face our problems together
we all can re-arrange and stand strong
yours the reason why we been here so long
and representin you for the beats that we flow on
your the reason why we do whut we do
if you see use puttin it down we representin' you
your the reason why i want to cry
ya see we love ya muhfuckas so much we dedicate our
lives
family, unity, wit' diversity and individuality so fuck
popularity
your the reason why we sing this song
and stay high till the break of dawn
hit the bong and come along

show me the reason why...
(we do the things that we do)
show me the reason why...
(take a chance with me I wont let you down)
show me the reason why...
(we represent the underground always have always will
now)
show me the reason why...
(take a chance with me I wont let you down)

Your the reason why I can walk on top of water
and represent your sons and daughters
your the reason why I float below the ground
and when the lights go out im still alright
cuz im livin off of sound
your the reason why I put my life into this shit
I swear to god if you dont feel me im just as real as
counterfiet
your the reason why ive been chosen, selected

with the juggalos im connected

your the reazon why I stop to give a dap,
shake a hand an' hug the honeys
and tag a twiztid autograph
your the reazon why crows fly
your the reazon we scream Die MuthaFucka Die to the
outside
and everybody who aint reppin' this
your the reazon why the Carnival is blessin' this
your the reazon why i act like a ninjalo
your the reazon why muthafacko but i think ya know

show me the reazon why...
(we do the things that we do)
show me the reazon why...
(take a chance with me I wont let you down)
show me the reazon why...
(we represent the underground always have always will
now)
show me the reazon why...
(take a chance with me I wont let you down)

I wont let you down...
I wont let you down...
I wont let you down...
I wont let you down...

show me the reazon why...
(we do the things that we do)
show me the reazon why...
(take a chance with me I wont let you down)
show me the reazon why...
(we represent the underground always have always will
now)
show me the reazon why...
(take a chance with me I wont let you down)

show me the reazon why...
(we do the things that we do)
show me the reazon why...
(take a chance with me I wont let you down)
show me the reazon why...
(we represent the underground always have always will
now)
show me the reazon why...
(take a chance with me I wont let you down)

Its coming...
Its coming...

Its coming...
