"Berlin Night Express"

Visit "[Berlin Night Express](#)" on MotoLyrics.com

From Stockholm to Berlin, Central to the Zoo
A change of pace with a different taste
Down the Avenue

Frustration to salvation, All through the night
Now I'm out of bound, gone underground
I'm out of sight

Each morning I waited, dissipated
Neon lights, from dusk 'til dawn
Each morning I waited, dissipated
Curtains drawn, from dusk 'til dawn

From Stockholm to Berlin, Central to the Zoo
An unknown face in an empty place
Try something new

Temptation to sensation, the perfect skin
I've changed my mind, I'm out of time
Tomorrow Berlin

Each morning I waited, dissipated
Neon lights, from dusk 'til dawn
Each morning I waited, dissipated
Curtains drawn, from dusk 'til dawn

Each morning I waited, dissipated
Neon lights, from dusk 'til dawn
Each morning I waited, dissipated
Curtains drawn, from dusk 'til dawn
(Come tonight, tomorrow I'll be gone)
