[Fingazz (Mr. Capone-E in background)]

Nothin' like the summertime  
Baby  
Homies in the park goin'  
Crazy  
Cruisin' down the block with ya  
Lady  
In the  
In the  
In the sunshine (Oh!)

Chorus: Fingazz

Kickin' back to the summertime anthem  
Cruisin' in ya ride to the summertime anthem  
I know you feelin' that summertime anthem  
So get down to the summertime anthem  
Summertime (Yeah)  
Summertime (Yeah)  
Summertime (Yeah)  
I know you feelin' it  
Yeah, yeah

[Mr. Capone-E]

(Verse 1)

It's summertime, and I feelin' so good  
Wake up in the morning with the player's groove  
The weather is hot, and I'm in my drop top  
Family and friends rolling through the parking lot  
Today's a good day, so call up the DJ {\*Fingazz  
scratching\*}  
Bring the Gatorade  
It's a sunny day  
By the way, I'm so fresh and so clean  
Out of the sunshine, you know what I mean  
And not to find no stress, and so it's time to chill  
A moment of real action with a meat on the grill  
And for real {\*wolf whistle\*}  
The girl's lookin' so fine  
Dressed to impressed, and the weather's 89  
All the time  
The homies bring the cars out

Black, white, brown, Asians, no doubt {\*lowrider\*}  
It's a holiday  
It's a sunny day  
Summertime anthem, sing along  
Hey

Repeat Chorus

(Verse 2)

It's still hot  
As we reach the mid-day  
Water balloon fights  
And the kids play  
Another day in the summer sunshine  
Kites in the air, as the food gets prepared  
All the fellas lookin' for the pretty girls  
The pretty, pretty girls out in the summer world  
Like DJ Jazzy Jeff  
And Fresh Prince  
It's Summertime again, let's reminisce  
And how summer comes and goes, and comes again  
School's out, let's all have some fun again  
Everyone with their ringtones blowing up  
It's the summer anthem song, so you know what's up  
Play it loud in the park, cruisin' in your ride  
Everybody enjoy life, these are the good times  
Nevermind your problems, they go ahead  
It's summertime, everyday is a good day

Repeat Chorus

(Verse 3)

Now it's 6 o'clock and it's feelin' so good  
Summer breeze spreadin' throughout the  
neighborhood  
Time to pack up the bags, and to roll on out  
Jumped in the vehicles with the music playing loud  
Boastin'  
Like it was '94  
Remember Whittier Boulevard after the car show (Sho!)  
Dammit  
Those were the good old days  
But the summertime's back, and it's time to play
