Kathisa kai skeftika
Kai eida oti m'agapas
Mono esi, mono esi
Ola t'alla pseftika
Mono i diki sou akgalia
Me krata sti zoi

'Cause I would die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Kathisa kai skeftika
Kai eida oti m'agapas
Mono esi, mono esi

'Cause I would die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

'Cause I would die for you
I sat down and thought
Realised that you love me

Only you, only you
Everything else is a lie
Just your warm hug
Keeps me alive

'Cause I would die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

I sat down and thought
Realised that you love me
Only you, only you

'Cause I would die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

Die for you
Look into my eyes and see it's true
Really I could never lie to you
Just to make you see that
No one else could ever love you
Like the way I do

'Cause I would die for you
