Locked up inside of cages took so many years
All the voices wispering, held up my fear
Bound up in chains, doin what their told
Wanting to escape from feeling so all alone

SCREAM!!!!!!!!!!

I have stopped from your scream
I have stopped to be seen
?
?
Stick together we have won
We never stop what we've begun
We have gone to take your dream
We will make it a reality

Locked up inside of cages took so many years
All the voices wispering, held up my fear
Bound up in chains, doin what their told
Wanting to escape from feeling so all alone

SCREAM!!!!!!!!!!

I have stopped from your scream
I have stopped to be seen
?
?
Stick together we have won
We never stop what we've begun
We have gone to take your dream
We will make it a reality

Fighting in a world with so much hate
You try to stop but it seems to late
To late to rise above you rise above your lies and
hatered

Can you hear the crying?
Can you hear the screams?
Can you hear see the fighting?
Its not ass bad as it seems

Can you hear the crying?
Can you hear the screams?
Can you hear see the fighting?
Its not ass bad as it seems

Fighting in a world with so much hate
You try to stop but it seems to late
To late to rise above you rise above your lies and
hatered

Can you hear the crying?
Can you hear the screams?
Can you hear see the fighting?
Its not ass bad as it seems
