locked up inside of cages took so many years  
all the voices whispering, held up my fear  
bound up in chains, doing what their told  
wanting to escape from feeling so all alone

SCREAM!!!!!!!!!!

i have stopped from your scream  
i have stopped to be seen

stick together we have won  
we never stop what we've begun  
we have gone to take your dream  
we will make it a reality

locked up inside of cages took so many years  
all the voices whispering, held up my fear  
bound up in chains, doing what their told  
wanting to escape from feeling so all alone

SCREAM!!!!!!!!!!

i have stopped from your scream  
i have stopped to be seen

stick together we have won  
we never stop what we've begun  
we have gone to take your dream  
we will make it a reality

fighting in a world with so much hate  
you try to stop but it seems to late  
to late to rise above you rise above your lies and hatred

can you hear the crying?  
can you hear the screams?  
can you hear see the fighting?  
it's not ass bad as it seems

can you hear the crying?  
can you hear the screams?

can you hear see the fighting?  
it's not ass bad as it seems

fighting in a world with so much hate  
you try to stop but it seems to late  
to late to rise above you rise above your lies and hatred

can you hear the crying?  
can you hear the screams?  
can you hear see the fighting?  
it's not ass bad as it seems
