[Spoken:] Vsichko, vsichko iskam da zabravya i da se vurna pak,
pri vsichko veche izgubeno, da se vurna pri teb.
(Translation: Everything, I want to forget everything
and to come back again, to come back to everything
I've already lost,
to come back to YOU.)

I hate to feel like I do, feeling confused because of you
something is standing in my way, I can't say what I
need to say.

I really try to forget you, but it's my heart which won't
let me to,
I'm thinking of your words, you don't know how much it
hurts.

Why...
Are you only thinking of yourself?
Why...
Inside I'm screaming for help
Why...
Do I have to feel this way?
Why...
Did you take my love away?

You keep tearing me apart, like you don't have a heart ,
our love disappeared, my soul can not fall in this.

I want to be with you night and day,
but you keep on run away, love is a pain,
it comes and goes just like rain...

Why...
Are you only thinking of yourself?
Why...
Inside I'm screaming for help
Why...
Do I have to feel this way?
Why...
Did you take my love away?

[Spoken:] Vsichko, vsichko iskam da zabravya i da se
vurna pak,
pri vsichko veche izgubeno, da se vurna pri teb.
Vsichko, vsichko moga da zabravya, no ne i teb.

I've already lost,
to come back to YOU.
Everything, I could forget everything, but not YOU.)

Why...
Are you only thinking of yourself?

Why...
Do I have to feel this way?
Why...
Did you take my love away?
Why...
Are you only thinking of yourself?

Why...
Did you take my love away?
