If you're walking and you stumble
You don't have to cry
When you lose your keys and fumble
I just want to die

It's Alright
(Cause all I want is you)
It's okay
(There's nothing I can do)
It's Alright
(Cause all I want is you)
It's okay
(Cause all I want is...)

Hey, sha la la
Hey, sha la la
All I want is you

Hey, sha la la
Hey, sha la la
All I want is you

As you sleep you hug your pillow
Curled up in a ball
I'll protect you while you're dreaming
Catch you if you fall

It's Alright
(Cause all I want is you)
It's okay
(There's nothing I can do)
It's Alright
(Cause all I want is you)
It's okay
(Cause all I want is...)

Hey, sha la la
Hey, sha la la
All I want is you

Hey, sha la la
Hey, sha la la

All I want is you
