

Two "Water's Leaking"

Visit "[Water's Leaking](#)" on motolyrics.com

Water's leaking from the creek above
Makes me shaky
Pacing in the flood

The water's leaking
Goin' down in my tears
I am drowning in my fears

Keep my head up, don't fall in
Walk on water
I'll sink or swim

Down where it's clouding
Like I've never seen
Leaves me drowning

The water's leaking
Goin' down in my tears
I am drowning in my fears

Keep my head up, don't fall in
Walk on water
I'll sink or swim
