I'm feeling you girl; can't you see that look in my eye?
Something about you Mami
And the way you move, you just keep blowing my mind
Something about you Mami
I can see me and you spending some quality time
Cause you're so fine!

[Mr. Capone-E]

So what it's gonna be? I got a spot overlooking the

We can get away, just set the day aside.
Call on me girl, any day and night
And I can't be your superman but you can be my

Checking into hotels, checking out a day late.
Making love from nightfall, all the way to daybreak
Baby girl, that's just my style. Never will I hesitate

So take a run with me girl; won't you come with me?
Life is at finest with you baby, that's what it comes to be
And I ain't trying to put no ring on your finger
We're just having a good time, Nate sing it toâ€¦

[Chorus]

Mami Mira! You're such a fine and such a sexy

Been on my mind girl since the first time that I seen ya
If you were my girl I would never ever leave ya
