It starts in the theater
A night of encounters
If I hadn't been there
If not for a cigarette

And you could see it change
Look past the blinding light
Look past the blinding light

Just keep talking on
Tell me your favorite things
Tell me your favorite things

Difference in opinion was never an issue
Collect all your questions
'Cause this time we've all night

And you could see it change
Look past the blinding light
Look past the blinding light

Just keep talking on
Tell me your favorite things
Tell me your favorite things

And you could see it change
Look past the blinding light
Look past the blinding light

Just keep talking on
Tell me your favorite things
Tell me your favorite things
