You're too young, you're never gonna know why it hit
me

When I felt on in silence

No one thinks what I'm doing is the right way forward

You'll see it's not just a dream now

You think you know, you don't know

You think you know, you don't know

You think you know, you don't know

You think you know, you don't know

You're too young, you're never gonna know why it hit
me

When I felt on in silence

No one thinks what I'm doing is the right way forward

You'll see it's not just a dream now

You think you know, you don't know

You think you know, you don't know

You think you know, you don't know

You think you know, you don't

Know oh, oh, oh

Know oh, oh, oh

Know oh, oh, oh

Know oh, oh, oh

It's what you get when you try to educate a black sheep

You can't, you won't, you never will

I'm gonna show you what it takes to see the future

It's hard but not impossible

You think you know, you don't know

You think you know, you don't know

You think you know, you don't know

You think you know, you don't

Know oh, oh, oh

Know oh, oh, oh

Know oh, oh, oh

Know oh, oh, oh

You think you know, oh, oh, oh
Know, oh, oh, oh
Know, oh, oh, oh
Know, oh

Oh oh, oh oh
Oh oh, oh oh

And I believe this costume party is over
Before it gets started
And I believe this costume party is over

And I believe this costume party is over
Before it gets started
And I believe this costume party is over, over, over
