So what became of love in man
And what became of you?
Familiar as you shook my hand
What was it you meant to do?

Because all could change
For one and all could
Can change in this new day

She said the devil will want you back
And you'll never find love in an open hand
Shut your eyes, so you'll see under
And know you'll always have this if you stay this man

She said the devil will want you back
And you'll never find love in an open hand
Shut your eyes, so you'll see under
And know you'll always have this if you stay this man

I lie
This was not for my pride
I know
This was my time

She said the devil will want you back
And you'll never find love in an open hand
Shut your eyes, so you'll see under
And know you'll always have this if you stay this man

So when nobody will take you back
And you'll never find love in an open hand
Shut your eyes, and you'll see under
And know you'll always have this if you stay this man
