Learn to fly,  
Learn to fly,  
Show the world  
How you try.

But don't let go  
Until you know,  
Until you know  
Me.

'Cause I can see,  
I can see  
All the things  
Arresting me.  
But I control,  
I control.

When I get home,  
When I get home,  
I want to feel less alone.  
I couldn't feel,  
I couldn't feel  
Anybody.

This isn't home,  
This isn't home,  
I couldn't feel more alone.  
I need to feel,  
I need to feel  
Somebody.

'Cause I see the world  
In different colours  
To someone like you.

This day, we'll all pull you in  
Romantic and drenched in sin.  
But you only have an amount of time  
Until this place  
Will swallow you whole.

And everything I cannot imagine.

This dim-lit room has seen much before me.  
And I don't want  
To ever know,  
To know.

The city will pull you in  
Romantic and drenched in sin  
But you only have an amount of time  
Until this place  
Will swallow you whole.
