There's a spanner in the works you know  
You gotta step up your game to make to the top so go,  
oh  
Got a little competition now, you're going to find it hard  
To cope with living on your own now, uh, oh, uh, oh

Let's make this happen, girl, you gonna show the world  
That something good can work and it can work for you  
And you know that it will

Let's get this started, girl, we're moving up we're  
moving up  
But it's been a lot to change but you  
Will always get what you want

Took a little time to make it a little better  
It's only going out, just one thing and another, you  
know, oh, you know, oh  
Took a little time to make it a little better  
It's only going out, just one thing and another, you  
know, oh you know, oh

Let's make this happen, girl, you gonna show the world  
That something good can work and it can work for you  
And you know that it will

Let's get this started, girl, we're moving up we're  
moving up  
But it's been a lot to change but you  
Will always get what you want

Let's make this happen, girl, you gonna show the world  
That something good can work and it can work for you  
And you know that it will

Let's get this started, girl, we're moving up we're

But it's been a lot to change but you  
Will always get what you want

Let's make this happen, girl, you gonna show the world
