I can barely see.
I can hardly eat.
Tryin' to figure out what to do.
You girls drive me crazy,
When you're actin' lazy.
Here's a little lesson for you

If you want the things
That a girl might need
You best take the time to love me, girl
If you want those things
?
You best take the time to love me, girl

We'll whine & dine
All the time
?
You'll spend my money
?

If you want the things
That a girl might need
You best take the time to love me, girl
If you want those things

I dont think youre crazy
But what am i to do?
I just want to know what the f*** is wrong with you
I know you have your problems
And baby i have mine
All i ask is that you hurry up before we're out of time

(What?)
(Ok)

If you want the things
That a girl might need
You best take the time to love me, girl
(What?)
If you want those things
?

You best take the time to love me, girl
(Ok!)
