On the 22  
Slowly crossing town  
You looked at me  
Yea you were lookin'  
You were lookin' down at me  
So low in subtlety

Well I'm not the victim here  
That much I know  
That much is clear  
But it's just that much  
It's just that much

And this I know  
If I could close my eyes  
Hell would give me sire  
Able to see you  
The way I saw that night  
Saw that night

And if I close my eyes  
Hell would give me sire  
Able to see you  
The way I saw that night

Soft words echo loud into his ears  
And this is not as bad  
As it, as it appears  
As it appears

See the clouds light the way  
To a perfect view  
To a perfect day  
It's just that much  
It's just that much

And this I know  
If I could close my eyes  
Hell would give me sire  
Able to see you  
The way I saw that night  
Saw that night

And if I close my eyes  
Hell would give me sire  
Able to see you  
The way I saw that night

On the 22  
Slowly crossing town  
You looked at me  
Yea you were lookin'  
You were lookin' down at me  
So low in subtlety

I'm not the victim here  
That much I know  
That much is clear  
But it's just that much  
It's just that much

And yes I know  
If I could close my eyes  
Hell would give me sire  
Able to see you  
The way I saw that night  
Saw that night

And if I close my eyes  
Hell would give me sire  
Able to see you  
The way I saw that night
