Well I went down to the train depot
When that train came rollin' by
Thinkin' 'bout the woman that I love
Goin' down that railroad track
She's gone
She's gone
She's gone
She's gone
Ain't no cryin'
Ain't goin' bring her back
She's the only woman that I love
Goin' down that railroad track

Well I went down to the train depot
And I looked up on the side
Thinkin' 'bout the woman that I love
And I can't help
Hangin' my head and cryin'
Well it's fare thee well
Fare thee well
She's gone
She's gone
She's gone
The only woman that I love
She left me here to sing this song

Don't know which way I'm goin'
Long as them wheels is rollin'
Long as I get away from here
He never done me kind, no
Each day done changed his mind
So I think it's best I disappear
That's why I say my man
That he don't know
Say my man that he don't know
Lookin' out for better weather
Among the pines
Among the heather
Well I'm never comin' back, no no
The one thing that I can say for sure

Way down by pensicola

Some sung
Some yodde yodde
That's where your biscuit's rollin'
The only man that I love
The onyl man that I love
