[Verse 1: Mr. Lil' One] "Oooh," said boy, baby girl, come on over here We can come back and do this every year Slowly, surely, baby, come and hold me Hourglass shape, and I love it if you show me Chill by the sand, go half on a baby Keep it one hundred, and never get shady An hour went by, then another went by Sin look at my face and, I don't know why And it seems like time wanna stop for you And we do it all, baby, how you want me to We can do it anytime, anywhere, any place Everybody else here, that'll make you feel safe And my, oh, my, little mama so fly Like Bonnie and Clyde, baby girl, let's ride Refrain: Mr. Lil' One {Mr. Lil' One *slowed down*} Now come on... Don't make a sound Come on... Just slow it {down} Repeat Pre-Chorus Repeat Chorus [Verse 2: Mr. Lil' One {Mr. Lil' One *slowed down*}] I saw her from the corner of my eye like, {"Damn!"} Holla at a player, let me be that {man} Yo, it started off fast, then it ended up slow Now tell me where to go, baby go like, "Whoa!" Pretty little face, baby, walk this way Never met another that talk this way So swift and cool and all of that And if you give me one sec, I'll be part of that I wanna kick it with ya, baby, come and give it to me And we can chill by the sea, on ecstasy And nobody else, just chill with me And we can keep it right here like it's supposed to be Repeat Refrain Repeat Pre-Chorus Repeat Chorus Repeat Hook 1 Hook 2: Mr. Lil' One {Mr. Lil' One *slowed down*} Make this moment last forever Forever Forever She can work it fast, but slow is better {Slow is better, slow is better} Make this moment last
