(\*talking\*)

G'eah, pimp walk pimp walk  
Pimp walk, pimp walk, pimp walk g'eah

[Mr. Marcelo]

I don't know, how y'all do it down there  
But I know, how niggaz do it round here  
I know a nigga walk with a limp, hands on his dick  
Pistol in his pants man, looking for some shit  
Yeah I walk like this, and I talk like that  
Bitches see the boy, say the boy's all that  
In the whip mash the kicks, and the jewels all black  
If I ain't a hot boy, than what do you call that  
Dipping through the club, I don't dance I just pimp walk  
See a chick looking nice, holla at her pimp talk  
My pockets weigh a ton, Brick keep a grip  
And when he walk off, it look some'ing like this

[Hook - 2x]

I keep my hat to the back, jeans real low  
Hand on my dick, and a nigga walk slow  
When I pimp walk, pimp-pimp walk  
What I do pimp walk, pimp-pimp walk

[Mr. Marcelo]

Now I don't care where I'm at, what it do or who I'm with  
I'm still pimp walking, when I step up in this bitch  
Ball player stepping, weapon real close to me  
Just in case a fake nigga, try to get close to me  
Bitches be approaching me, they do the shit  
appropriately  
They like the way I walk, and the way I talk  
Soon as she look, she hooked on the pimp  
So I give a girl the naked truth, like Lil' Kim  
I give a girl the look, then I hit her with that walk  
Then I disappear, like a shadow in the dark  
See the way I walk, you can get use to this  
And if you trying to learn homie, this is how you do the  
shit

[Hook - 2x]

[Mr. Marcelo]

First you gotta have your jeans, hanging off your ass  
Hat to the back, and a pocket full of cash  
Pistol in your waist, hands on your dick  
Walk real slow, whoa you doing that shit nigga  
Pimp walk, pimp-pimp walk  
What I do, pimp walk pimp-pimp walk  
G'eah nigga, pimp walk pimp-pimp walk  
What I do, pimp walk pimp-pimp walk  
First you gotta have your jeans, hanging off your ass  
Hat to the back, and a pocket full of cash  
Pistol in your waist, hand on your dick  
Walk real slow, whoa you doing that shit

[Hook - 2x]
