Silence on the line between us,
Sounds so very wrong,
I won't be happy 'till it's gone,
'Till it's gone.
Give me one more dance before you take the time to
choose,
I've got magic in my shoes as well.

(nah nah nah nah, nah nah nah nah...)

I'm better sorry than safe,
Better never than late,
You better make sure I'm gone before you make your
mistake.

(nah nah nah nah, nah nah nah nah...)

You can't go away,
Just to come back the same,
Girl, You can't go away,
Just to come back the same.

We used to keep ourselves inside,
Now our eyes are open wide,
They're open wide.

(nah nah nah nah, nah nah nah nah...)

I'm better sorry than safe,
Better never than late,
You better make sure I'm gone before you make your
mistake.

(nah nah nah nah, nah nah nah nah...)

You can't go away,
Just to come back the same,
Girl, You can't go away,
Just to come back the same.

(Oooohh, Oooohhh, Oooohhh, Oooohhh)

You can curse me out,
And take a seat,
But don't expect my heart to beat.

Hey dancing girl,
Get off your feet,
But don't expect our eyes to meet.

I'm better sorry than safe,
Better never than late,
You better make sure I'm gone before you make your
mistake!
