

## Two Hours Traffic "Happiness Burns"

Early morning,  
Birds are swarming,

This is the day you waited for,  
Animals gather at your door,  
Happiness burns into the core,  
It's a sign

World is waking,  
Trees are shaking,

This is the day you waited for,  
Animals gather at your door,  
Happiness burns into the core,  
It's a sign  
Daffodils,  
In your eyes,  
It's a sign

This is the day you waited for,  
Animals gather at your door,  
Happiness burns into the core,  
It's a sign

Daffodils,  
In your eyes,  
Wave goodbye
