What you got (What you got...)

Chorus: Jungle Brothers
Breathe
Don't stop
Come on
Let's make it hot
Breathe
Don't stop
Come on
Let's make it hot

Repeat Chorus

(Verse 1)
[Mike G] Jump aboard if you're ready to ride
[Africa] Jungle Brothers in the house and we're by your side
[Mike G] I know you know how we do that there
[Africa] Move your body side to side, put your hands in the air (Yeah)
[Mike G] Catch a booty, move across the board
[Africa] Cause you know this champagne can't be ignored
[Mike G] And you could do what you want to do
[Africa] Don't worry about a thing, it's just the rhythm in you
[Mike G] So just move it and shake it a little
[Africa] And if you feel some kind of weight, just wiggle, my nizzle
[Mike G] Get on the party, don't stop the flow
[Africa] And don't think of nothin' else until it's time to go (Yeah)

[Mike G] Now, baby girl, don't be so shy
[Africa] Because I got the whip cream for you, cutie pie
(Right)
[Mike G] And anything for us to save the day
[Africa] Cause when we stuff in the piece, we send your
troubles away
[Mike G] So be easy and relax yourself
[Africa] And just shake your ass, because it's good for
your health

Repeat Chorus Twice

(Verse 2)

[Africa] The bass line pulse shaking your body
[Mike G] Get on the dance floor do what you want, you
little hottie (Yeah)
[Africa] You're freakin' out, like you wanna scream
[Mike G] Hold on, baby, let me put you on my team
[Africa] Shake a leg and jump out your pants
[Mike G] Come on
Let me see you do that funky brand new dance
[Africa] Work it out, girl, I know you can
[Mike G] Cause you got the peanut butter and this is
the jam (Alright)
[Africa] So spread it out all over the place
[Mike G] Cause the rhythm of the music is right in your
face
[Africa] I know you're thirsty and you need a taste
[Mike G] Don't sweat it, baby, cause nobody's takin'
your place (That's right)
[Africa] You know you got it like that
Uh
The way you shake your fatty like that
[Mike G] Uh
Nobody got a body like that
Damn
[Jungle Brothers] Let me bring the chorus back

Repeat Chorus Twice

[Africa] Because I got it like that (That...)
[Mike G] Because I got it like that (That...)
[Africa] Show me what you got (You got...)
Move it over here
Right here
Right here (Right here...)

(Verse 3)

[Africa]
JB's, yo, we'll be right there
Anytime you wanna party, yo, we take it there

You know we gotta give your spirits a boost
Gotta put it down for the Deuce, Double O. Deuce

[Mike G]

Open your mouth and say, "What's the word?"
This is the remix, not what you heard
Mr. On make the groove so nice
Make the DJ's bring it back and wanna play it all night

Repeat Chorus Twice

[Jungle Brothers]

Yeah yeah
Yeah yeah
Yeah yeah
We right
Here in the place
We right
Up in your face
We givin' you the taste
We right
Stop, stop
Stop, stop
Don't, don't, stop
Don't stop (Don't stop)
Don't stop
Don't stop
Don't stop (Don't)
