Gretchen Phillips)

Something's going on, and I don't understand it
But I've got the strangest feeling, feeling of
satisfaction

I don't think that I'm just lazy, I think I want to love you
Put my career on hold to spend more time to love you
I am not asking, asking for you to save me
We both are fully capable of taking care of ourselves
But what I'd like to do is to spend more time just to
bond with you

Let's take the whole day off and let's go bonding
Let me buy you chocolates, let me buy you sparkplugs
Let me state and restate, I love you for your mind
Let me kiss you lightly, let me hold you tightly
Please let me reiterate that you are such a find
Kiss me on the mouth, kiss me on my morning eyelids
Kiss me when I show up exhausted at your house
Kiss me in a restaurant, kiss me over dinner
Tell me I'm the biggest price, and you're the lucky
winner

Something's going on, and I don't understand it
But I've got the strangest feeling, feeling of
satisfaction

I don't think that I'm just lazy, I think I want to love you
Let's take the whole day off and let's go bonding
Let me buy you chocolates let me buy you sparkplugs
Let me state and restate I love you for your mind
Let me kiss you lightly let me hold you tightly
Please let me reiterate that you are such a find
