[Verse 1: Mr. Shadow]

I split the blunt down the middle, throw away the brown
shit

Replace it with mean green, roll it up and take a hit

And you bitch-made fools

Homey, there's no excuse

So stay down, so stay one

You learn from your roots

From the steel toe boots

Hush Puppies and Chuck Taylors

Smugglin' pounds of shit across the border, can't
nobody tell us

A damn thang, we bang, slang and clang

Huh

It ain't true that we're all in the same gang (Aw hell
naw)

Hey, hey

Who got the yay

Who got the weed

Who got the shit that'll make your motherfuckin' brain
bleed?

Me

Nino B, maniac and tricky

Got some bomb weed, now the situation sticky

Hit me on the cellphone

I'm out grindin'

Lettin' the chain swing in the wind when I'm grimin'

You're runnin' out of time

Fuck

Nickles and dimes

It's P's and K's when we come across the borderline

Chorus:

[Mr. Shadow] Bring it on

[Nino Brown] I heard a rumor going 'round

[Mr. Shadow] Bring it on

[Nino Brown] It's the Mr. Shadow, Nino Brown

[Mr. Shadow] Bring it on

[Nino Brown] We cock back when we strap

[Mr. Shadow] Bring it on

[Nino Brown] Stick 'em with them gangstafied raps

[Mr. Shadow] Bring it on
[Nino Brown] I heard a rumor going 'round
[Mr. Shadow] Bring it on
[Nino Brown] It's the Mr. Shadow, Nino Brown
[Mr. Shadow] Bring it on
[Nino Brown] We drop the bomba, que onda?
[Mr. Shadow] Bring it on
[Nino Brown] Sick 'em like some Pit's, fool, we sick,
huh!

(Verse 2)

[Mr. Shadow] Bring it on
[Nino Brown] Lil' bitches start to hatin'
From the S.D. to the big Los, the great collaboration
Anticipation
Throughout the great brown nation
Lurkin' in the shadows, it's the Mr., motherfucker
[Mr. Shadow] Bring it on
[Nino Brown] We stack fast bucks and mack ducks
Step on wack ducks with blue chucks and nunchucks
[Mr. Shadow] Bring it on
[Nino Brown] Criminals slash rap subliminal
ASCAP, booty ass crack, sorry sap
[Mr. Shadow] Bring it on
[Nino Brown] See this my motherfuckin' hale
Mr. Bri-down, creepin' through the fog with my dog
[Mr. Shadow] Bring it on
[Nino Brown] Mr. Shadow be my perro
Bout to blow this muh'fucker up, pucker up
[Mr. Shadow] Bring it on
[Nino Brown] And duck quick
No shit, we be the shit
Dedicated to them haters in the calle
[Mr. Shadow] Bring it on
[Nino Brown] Step back
Shut ya trap
I heard your shit
Threw that muh'fucker out the window

Repeat Chorus

(Verse 3)

[Mr. Shadow] You can catch me and Nino
Walkin' in casinos
Drinkin' expensive wine and spendin' stacks of C-notes
You see, hoe?
That's how we pimp playas do
Takin' over the game, everyday, actin' a fool
We make news with the shit that we do
Crack you and your boys with a 4" by 2"
You motherfuckers, what?

We on top of the list
Don't get mad
If you can't handle it, then hoe
Call your dad (Daddy)
[Nino Brown] Bring it on
Don't get it twisted
I know you listed
Mas chingones matones
We pay a visit
[Mr. Shadow] Bring it on
[Nino Brown] Catch your ass in a deep sleep
When we creep and we crawl, gang-bangin', then we
ball (Homie)
[Mr. Shadow] Bring it on
[Nino Brown] Infiltrate the game, fuck the fame
Nino rearrange your whole mente, sippin' Presidente
Respecto, respect the flow
N-I-N-O
Mr. Shadow
Bring it on, you muh'fucker (What)

Repeat Chorus
