Hey Hey Hey Hey
Hey Hey Hey Hey

Go with an attitude
Heart full of royal blood
If you want to rise above
Don't wonder in the mud

This game mentality
It will not set you free
Is that the life you want?
Go to the lives you taught

White boy, white boy
Don't be crazy
White boy, white boy
Don't be bad
White boy, white boy, white boy
White boy, white boy
Don't, don't you go bad no no no no
Don't you go bad no no no no

Victims in alleyways baptizing in your filth
This path of life you want
It just might be your last
Cause my reality, retain mentality
All together and one for all
The clock ticks to your downfall

White boy, white boy
Don't be crazy
White boy, white boy
Don't be bad
White boy, white boy, white boy
White boy, white boy
Don't, don't you go bad no no no no
Don't you go bad no no no no

White boy, white boy
Don't be crazy
White boy, white boy

Don't be bad
White boy, white boy, white boy
White boy, white boy
Don't, don't you go bad no no no no
Don't you go bad no no no no

White boy, white boy
Don't be crazy
White boy, white boy
Don't be bad
White boy, white boy, white boy
White boy, white boy
Don't, don't you go bad
