you can kill a south-sider if you wanted to,  
but if you fuck up once,your ass will never get to.

can you handle this east-los scandalis.rollin deep  
through these LA streets.californ-i-a is where im  
from,and if you levas dont like that you can die or you  
can fucken run. its nite time and we got a lot of  
pisto,fuck buster town,t.c.and san frisco.

everybody in the hood just chillin' in the south-side of  
town,representin' and i love the way we kick it in these  
LA streets,s-m-i-l-e-z's got the heat,heat...
