So highly elusive are the thoughts that I am fusing even
cops be losing the ONE they are pursuing.

Intuitive lyrics embedded in the roots of my spirit
causing confusion in the ears of those who choose to
hear it.

Paragraphs of visions of aftermath decisions,
explaining the damage given to the way we living.

Robbing and dealing and killing; what are we wishing
for the children? Father, forgive them I'm asking
permission to continue on building stairways to heaven
higher than ceilings
o need for the beeping cause I know that you're
hearing... reality check for the simple
