When it's hot the whole town goes to the swimming  
pool  
When it's not the whole town stays inside  
Walk past the war memorial  
Towards the water slide

And on your left  
Is all that's left of the bowling green  
A town without a football team

Once I thought I'd never leave here  
Twice I swore I'd never return  
Under-fifteens, undefeated  
But the lessons learned  
And the bridges burnedâ€¦

These things hurt  
But these things happen anyway  
Tomorrow versus yesterday

An afternoon in the country  
Is all that I was after  
If I can't see you in the future  
I'll see you in the pasture
