i'll be alright,i'll be okay,baby
as long as i have you (2x)

when your living alone forever
ur life can seem like a dream
and when you don't trust anybody
it's hard to let them...
why am i trying to fight it
i'm not so sure what to do
it feels too strong to deny it
all i can think of is you

i'll be alright,i'll be okay,baby
as long as i have you (2x)

it can get so cold in the city,when ur walking in the
streets all alone
i can feel that something is missing,it's hard to change
what you know
why am i trying to fight it
i'm not so sure what to do
it feels too stong to deny it
all i can think of is you

i'll be alright,i'll be okay,baby
as long as i have you (4x)

wen your living alone forever
ur life can seem like a dream
and when you don't trust anybody
it's hard to let them...
why am i trying to fight it
i'm not so sure what to do
it feels too strong to deny it
all i can think of is you

i'll be alright,i'll be okay,baby
as long as i have you
