The first time I saw you  
Back against the wall  
I knew we would make it  
Yeah, we could have it all

I told you before boy  
You know I like your style  
And I ain't going nowhere  
Let's breathe it out for a while

Alright  
Alright  
Come on  
Alright  
Alright, come on  
Alright  
Come on

You're all that I wanted  
But you just don't care  
And now that we parted  
I need to feel you here

The blood and the blister  
Yeah, we were set to burst  
I'm forever within you  
You know it could be worse

Come on  
Alright  
Come on  
Alright  
Alright, come on  
Alright  
Come on

Alright  
Come on  
Alright, come on  
Alright  
Alright  
Alright, come on

Alright  
Come on  
Alright  
Alright, come on

Alright  
Come on  
Alright  
Alright, come on
