put down that cigarette
my heart's not in it yet
put down that cigarette

please don't turn away
i don't have much to say
say it anyway

oh
forever burning
within the heart of the widest ocean
oh
forever waiting
why should i come if it's all just fading?

put down that needle now
i wanna live life underground
im here to pull you out

please don't turn away
i don't have much to say
ill say it anyway

oh
forever burning
within the heart of the widest ocean
oh
forever waiting
why should i come if it's all just fading

if i could make you, make you (go away)
if i could make you, make you do it(you gotta go away)
if i could make you, make you (go away)
if i could make you(you gotta go away)

oh
forever burning
within the heart of the widest ocean
oh
forever waiting
why should i come if it's all just fading

if i could make you, make you (go away)
if i could make you, make you do it(you gotta go away)
if i could make you, make you (go away)
if i could make you(you gotta go away)

if i could make you, make you (go away)
if i could make you, make you do it(you gotta go away)
if i could make you, make you (go away)
if i could make you
