Don't you know
When things go wrong
Don't you know
Don't you know

Something happens
In your house
Something weird
Something evil

Don't you know
When things go wrong
Don't you know
Don't you know

Daydream ends
You can't sleep
Pink turns to black
Pink turns to black

Nightmare

Don't you hear it
Something strange
From your basement
From your basement

Something happens
In your room
Something weird
Something evil

Don't you hear it
Something strange
From your basement
From your basement

Daydream ends
You can't sleep
Pink turns to black
Pink turns to black

Nightmare
