Get up and dance
I'm in the mood for love
I wanna see you rise and shine
On revelation's day
We're about to explore
About to ignore
In such an easy way
It's the perfect cure in a perfect world
On revelation's day
I'm free
At last I'm free
I'm free
At last I'm free
You can't judge me
Cuz' you don't know me
Get up and dance
I'm in the mood for love
I reveal your insecurity
On revelation's day
You're hanging in a puppetstring
Let me relief your pain
You're the driving force
In an overkill
On revelation's day
I'm free
At last I'm free
I'm free
At last I'm free
You can't judge me
Cuz' you don't know me
The gravity changes
Wants your love
At last I'm free
I'm free
At last I'm free
I'm free
At last I'm free
On revelation's day
