"Slip And Slide"

It comes and goes
But I go on forever
I slip and I slide
Let it flame or fade
And the war rolls down like a wind
The quiet dreams in life
Slowly passing by
Heavier than anything on Earth
If this is my war
I'll do anything
If this is my war
It's enough to drive me mad
My shadow is still the same
Release and restore me to the ground
I can't recall
Is this the place that I knew
I suffer
But not for long
The quiet dreams in life
Slowly passing by
Heavier than anything on Earth
If this is my war
I'll do anything
If this is my war
If this is my war
I'll do anything
If this is my war
It's a day of pain
All is over and done
If this can't change
How can I?
Let's beat the twilight
Into flakes of fire
If this is my war
If this is my war
I'll do anything
If this is my war
(If this is my war)
If this is my war
I'll do anything
If this is my war

(If this is my war)
