Here it comes  
Here it comes  
A storm again  
Like a huge dog  
Or a thunder light

He breath only a few times  
And a child is dead  
Like an omen dream  
In a holy land  
Unholy land

Believe me  
Believe me  
It's the omen of the devil  
The number of the beast  
The number of the man

He comes and comes  
Dig my grave  
Take life away  
And make his world  
His own world  
Unholy world

He is a devil  
A son of Satan  
He comes and comes  
He comes and goes  
Whatever he wants

Believe me  
Believe me  
It's the omen of the devil  
The number of the beast  
The number of the man
