I'm falling, I'm failing  
I can't believe my luck  
I'm freezing, I'm dying  
I'm standing in the river drowning

What a world, what a world  
I am disaster  
Stand strong on your own

Run away right away  
But the water drags you under  
Stand strong my son  
Cause the currents getting stronger

Oh father, please help me  
I can't believe my luck  
I gave up on believing  
I'm standing in the river screaming

What a world, what a world  
My own disaster  
You lost your way  
Lets rewrite this chapter

Stand strong on your own

Run away right away  
But the water drags you under  
Stand strong my son  
Cause the currents getting stronger

I'm calling you out.
