Mister Santa, bring me a dream  
Make him the cutest that I've ever seen  
Give him two lips like roses in clover  
And tell him that his lonesome nights are over

Santa, I'm so alone  
Don't have nobody to call my own  
Please turn on your magic beam  
Mister Santa, bring me a dream

Mister Santa, bring me a dream  
Make him the cutest that I've ever seen  
Give him the word that I'm not a rover  
And tell him that his lonesome nights are over

Santa, I'm so alone  
Don't have nobody to call my own  
Please turn on your magic beam  
Mister Santa, bring me a dream

Mister Santa, bring me a dream  
Give him a pair of eyes with a "come hither" gleam  
Give him a lonely heart like Pagliacci  
And lots of wavy hair like Liberacci

Santa Santa Santa, someone to hold  
Would be so peachy before we're too old  
Please turn on your magic beam, "wow"  
Mister Santa, bring us  
Please, please, please  
Mister Santa, bring us a dream
