[Originally by Rudimentary Peni]

God is nothing more than an obsessive lie.
While sunday school children are brainwashed into the
line,
And presented with as truth what's really just a lie,
Another childs' self-belief is sacrificed.

In the eyes of the lord, men are his servants,
In the eyes of the lord, women are mens' servants,

In the eyes of the lord, we're authority's servants,
In the eyes of the lord, everyone's a servant.

Sexual roles perversely glorified,
Beyond virgin motherhood, all status is denied.
But starvation and death's; the real testament
To the truth of the god your bible represents.
